

## Wildfire Prepared Forestry Contractors List

Wildfire Prepared does not recommend any one contractor over another contractor on this list. No representation for services is implied by the presence of a contractor name. If a homeowner selects a contractor to carry out work, the homeowner is responsible for supervising the work and for payment. All listed contractors work in Conifer, Evergreen, Genesee, Littleton / Morrison West of C470, Clear Creek County, or Pine. *Verification of current licensure and insurance status of contractor is the homeowners responsibility.*
